### Whole Home Starter Tips!
Knock these items out in every room.
- Clean from top to bottom! You don’t want ceiling debris falling on your freshly mopped floors
- Start with a specific area, particularly the exit zone (i.e. the garage)
- Determine your project’s end goal
- Wash baseboards, walls, doors, windows & window sills
- Vacuum & clean vents
- Dust & shine lights, ceiling fans, lamp shades & replace any burnt light bulbs
- Spring clean the green way! Use reusable rags rather than paper towels and non-toxic cleaning products such as lemon, baking soda and vinegar!
- Before you buy new storage items - reuse some you may already have
- Remove clutter - Find a sustainable Junk Removal Company to help (that’s us!).
