# GENERAC®

## Home Generators Made Easy. Really Easy

Since 1959, Generac has been designing and manufacturing backup power generators for residential, commercial and industrial applications. We have grown to be the world's largest provider of residential backup generators, selling five times as many generators as all of our competitors combined. Generac's broad product line is available through the industry's largest network of independent generator dealers, retailers and wholesalers.

### Guardian Series

- True Power™ Technology
- Generac's G-Force™ Engine
- Quiet-Test™ Self-Test Mode
- Tough, Durable All-Aluminum Enclosure
- Smart, User-Friendly Controls
- Mobile Link™ Wi-Fi Connectivity
